How do we register for Summer Camp and make payments?

HOW?

Head to www.boyscoutcamping.org or www.cubscoutcamping.org and click on the camp of your choice, there you will find a “Register” button that will take you to our online registration system for summer camp. Remember Boy Scout Troops register as a Troop, and Cub Scouts

should check with their Pack as some Packs register as a Pack, and some ask their families to make reservations as individual families.

WHERE?

All payments for PTAC summer camps are made online in this registration system. Boy Scout Troops paying for Boy Scout Camp must pay with a check online, Packs/Families paying for Cub Scout or Family Camp may pay with a check online or a credit card online. Check our camping homepage for a list of webinars you can join that walk you through the online system. This all new system allows units the option to open up access to all families in the unit so they can register and make payments online as well, which all funnel up to the unit registration so the unit can submit payments and names.

WHEN?

Boy Scout Troops may register online now to hold their site at Owasippe or Napowan. \$100 holds your site. Full payment of all fees for Troops are due on or before May 15.

Cub Scout Packs and Families may register online now, \$5 per Cub Scout holds your spot. A minimum of \$5 for each Cub Scout must be received online before May 1. Final payment of all balances must be made on or before June 1.

We recommend a Unit "Sign Up for Camp" night in each unit in April where the unit can share information, take sign ups, and if they like payments from families. This way it is easier for the unit to go online, make commitments on number of people attending camp, and make payments.

How do Boy Scouts register for Merit Badges and programs at Boy Scout Camp?

In early February our all new online program registration system will open. As mentioned above, this system will give the unit administrator the option of opening registration to individual Scouts/Families to register for merit badges and programs online. The system will show all available programs, times, and capacity. Each Scout can then print his schedule when complete. The system also tracks all Scouts schedules so unit leaders can print schedules of all their Scouts. At camp the system tracks attendance and requirement completion so our staff can keep our leaders up to date always. Make sure to attend one of our webinars on this new system to learn more and get up to speed!

How do we get more specific info on each Camp?

Leaders Guides are prepared for each specific camp in PTAC. Boy Scout Leaders guides are released on our webpage in early February while Cub Scout Camps and Family Camps are released in early March. These guidebooks contain schedules, must know info on the camp program, policies and procedures, what to bring lists, contact info, forms, and much more that is specific to each camp.

Leaders meetings will also occur around the council this spring, hosted by our camp leadership. This is your chance to hear specific items our camp leadership feel are important to review, and your chance to ask your questions direct to camp staff and leadership. Check our camping homepage as dates and locations will be announced as they are confirmed.

My Scout cannot attend with his unit, can he still go to camp?

You bet! Contact our camping help desk and we will be happy to match your Boy Scout with a nearby Troop before camp so your family can arrange for him to attend the camp and session of your choice. Cub Scout families can always sign up and attend any camp and any session as individuals if the dates and camps the Pack has selected do not match a family schedule.

How do we pre-order cool camp t-shirts, sweatshirts and more?

Visit our online store at <http://www.ptac.sgtradingpost.online> to pre-order camp merchandise for your Scout or entire unit! Some items can be customized including Troop or Pack numbers on T-Shirts!

How does a Scout who needs financial assistance apply for a Campership?

Send the family to apply online at www.pathwaytoadventure.org/campership The form is available in English and Spanish. To help your Scout get the most aid available please make certain they apply by April 1 at the latest. Applications will not be turned away after the deadline, but most the funding will be allocated to applicants who meet this April 1 deadline.

How does one apply to be a part of the best Summer Camp Staff in the BSA?

PTAC is always looking for energetic, friendly camp staff applicants for all of its camps! Those interested in a paid staff position, volunteer staff position, or counselor in training position (CIT) should head online to apply at www.pathwaytoadventure.org/camping/campstaff
