RE: Personnel Announcement – Dwayne Hunter

I am pleased to announce the selection of Dwayne Hunter to serve as the Director of Diversity and Inclusion for the Pathway to Adventure Council effective February 1, 2017.

In this role, Dwayne will join the Diversity and Workforce Development Department, formerly known as the Strategic and Innovation Impact Department, to give leadership to a new direct service model that will bring Scouting to strategic areas of the Council by collaborating with the VP of Diversity & Inclusion to build and advise a volunteer task force to chart the direction of the new program, while continuing to partner with the community in raising necessary funds. He will be responsible for recruiting, training, and coaching a team of specialists and executives focused in new unit development and program delivery.

Dwayne began his professional Scouting career with the Chicago Area Council in 2002 as a District Executive in the Greater Southside District and was promoted to District Director in 2005. He was promoted to Field Director in 2007 after multiple achievements in multicultural markets. Dwayne most recently served as the Community Impact Director for the Chicago Community, where his efforts have resulted in a significant impact in membership recruitment and achieving consecutive years of growth.

Dwayne is a recipient of the National President's Outreach Award for exceptional service to urban emphasis and was instrumental in the development of the Council's annual Whitney M. Young, Jr. Service Award dinner.

Dwayne enjoys music, movies, sports, and spending time with his wife, daughter, and two grandchildren.

Please join me in congratulating Dwayne in this new role. He can be reached via email at Dwayne.Hunter@Scouting.org.
