RE: Personnel Announcement – Michael Hornung

I am pleased to announce the selection of Michael Hornung to serve as the Community Impact Director for the Des Plaines Valley and Northwest Suburban Communities effective February 1, 2017.

In this role, Mike will give leadership to the field staff in the Arlington Heights and LaGrange Centers for Scouting. He will collaborate with each Community Chair and Commissioner as the Community Key 3, and will be responsible for field service operations in both communities.

Mike began his professional career with the BSA in 2012, after a 23-year career in logistics and operations management, as a District Executive in the Des Plaines Valley Council, where he served the Twin Lakes District. In 2014 Mike was promoted to District Director, giving leadership to both Twin Lakes and Tall Grass Districts.

Mike most recently served as the Director of Workforce Development, where his efforts in Career Awareness Exploring lead to significant growth in the areas of New Unit Development and Youth Membership Recruitment.

Mike is a recipient of the Professional Training Award and a Brotherhood member of the Order of the Arrow. He has served on the staff of Wood Badge and is a proud Bear.

He is the proud father of three children: Allison, Michael, an Eagle Scout, and Madison.

Please join me in congratulating Mike in this new role. He can be reached via email at Michael.Hornung@Scouting.org.
