PATHWAY TO ADVENTURE COUNCIL SHOOTING SPORTS EVENTS

The PTAC Shooting Sports Committee has been working very hard to put together a comprehensive 2017 Shooting Sports program for the members of PTAC. In addition to our resident and weekend camp programs we have put together year-round shooting sports offerings for Cub Scouts, Boy Scouts, Ventures and Sea Scout programs to earn merit badges and shooting skill awards. For more information on the Shooting Sports Camps please visit_

These affordable training programs are designed to teach qualified individuals who possess the knowledge, skills and attitude necessary to conduct the NRA Basic Firearm or Archery courses or act as Range Safety Officers on an active BSA archery and firearm ranges.
