Scouting's Journey to Excellence

2016 Council Planning, Performance, and Recognition

Journey to Excellence in 2016 will proceed along the path of **continuous improvement**. It is based on many of the best practices used in the corporate performance measurement field today. It guides program planning before the year begins, monitors activities for continuous improvement during the year, and recognizes performance at the end of the year. In planning your strategy, use actual numbers from the previous years to guide your performance improvement goal-planning. The council may qualify by meeting either determined or performance improvement standards.
