ADVENTURE Camp

4492 S Knoll Road, Rochelle, IL 61068

Get ready for the adventure of the year that will build lifelong memories for your Scout! Cub Scouts will participate in larger-than-life activities while earning advancements at Adventure Camp.

Lake Gladys is the beautiful focal point of Adventure Camp with a swimming waterfront, boating and fishing pier. With 500 acres, there is something for everyone to enjoy!

When you join us at Adventure Camp, you can enjoy sleeping in the comfort of your own tent, or have us provide a tent equipped with a ground pad that will be set up and waiting for you when you arrive. Just bring your own sleeping bag and pillow! All meals are provided, and your Scout will be able to visit the trading post for souvenirs! The camping area has flush toilets and clean, modern hot showers.

Cub Scout Overnight Camp is open to all registered Wolf & Bear Scouts. You may choose to register as a pack or individually. If registering individually, a parent/guardian must attend with the Scout. No matter which date or program you choose, you and your Scout will have the chance to swim, boat, fish, shoot BB & archery, take a turn down our inflatable water slide, hike, and enjoy the great outdoors.
