

Cub Scout Camp Promotions Script – 5 minutes

Hello Cub Scouts! My name is _____ and (Briefly mention your position/involvement in the Council). I'm here today to share with you all of the exciting opportunities we have for Cub Scout Camping this year! BUT FIRST, I've got a song for all of you!

(Gather Scouts up front to join you in the song. Parents can stand up at their table if they choose to participate. If you have another high energy song/cheer that is appropriate, feel free to use it!)

Everyone stand up!

Bananas unite! (place hands together straight up over head)

Bananas split! (open arms and place at sides)

Pick bananas, pick, pick bananas (reach up and pick bananas from a tree)

Peel bananas, peel, peel bananas (peel a banana in your hand)

Smash bananas, smash, smash bananas (clap hands)

Eat bananas, eat, eat bananas (stuff banana in mouth and sing with mouth full)

Go bananas, go, go bananas! (do a crazy dance)

(Have Scout go back to their seats.)

For those of you that enjoyed this song, this is just one of many that you will hear during your time at cub scout camp! Do you enjoy Archery? (Wait for reply) Do you enjoy BB's?
