

## **Your unit is missing out on community support if service hours are not being reported...**

Every hour of community service is worth \$25.95\*. Imagine going into a local business to ask for a donation and being able to show them the thousands of dollars that your unit invests in your community through the service you provide.

### **Get recognized-**

- Units reporting their service will receive a certificate from the council officially stating the number of service hours they have contributed to their community.
- Units that register an average of 4 hours per Scout or more will get patches for each of their Scouts.

### **Starting in 2018 the competition begins-**

- Monthly bragging rights – Best or most impactful project submitted by the 15th of each month will be featured in the council newsletter. Submit two to three sentences and up to four pictures to [PTACservice@scouting.org](mailto:PTACservice@scouting.org) to be considered.
- The 10 best projects will be selected in November of 2018 to be featured in the 2017 Annual Report.

### **Is your district service oriented?**

Prove it! The three districts with the highest average hours of service to youth will have their February roundtable catered by PTAC. Get your hours in the system now or assign someone in your unit to do it:

<https://servicehours.scouting.org/UI/Security/Login.aspx>

### **To support your efforts-**

A landing page will be launched by November 15th containing everything you need to know to log on to the Good Turn for America website and help you with any problems you may have experienced in the past

[www.PathwaytoAdventure.org/Service](http://www.PathwaytoAdventure.org/Service) will be your complete resource to navigate through a Good Turn for America. (<https://servicehours.scouting.org/UI/Security/Login.aspx>).

Got an idea you want us to support and promote? Submit your thoughts, questions, comments or concerns to [PTACservice@scouting.org](mailto:PTACservice@scouting.org).
