

2017 Crew Assessment

Hello, unit leaders!

I'm your council commissioner, Sue Simmons. My job is to help you get all the resources you need to succeed in your Scouting role.

To do that, I ask that you please complete the attached survey, which will provide some valuable insight into your unit. You can return the survey to your local service center (Scouting office), your next roundtable, or give it to your unit commissioner or local district executive.

Your answers will be an immense help in determining how we can better serve you. Whether that's through more resources, training tools, forms, tips, or something else; we want to help you maximize your efforts and hopefully make your vital role a little bit easier.

Please feel free to reach out to me with any questions now or at any time in the future.

Yours in Scouting,

Sue Simmons
 Council Commissioner
